## ARAB-BYZANTINE

- 13 **Anonymous**, early imitation of a Solidus of Heraclius and Heraclius Constantine, *obv* facing busts of the emperor on left and his son on right, pellets in place of crosses atop crowns, *rev* capital I on three steps, K in right field, VICTORIA AUGY around, officina I, CONOB below, 4.42g (Miles, 'The Earliest Arab Gold Coinage', *ANS Museum Notes* 13, pp. 207-209, 2-3 var [no. 2 was sold in Spink-Taisei Zürich Auction 18, 18 February 1986, lot 85]; cf Sear, *Byzantine Coins*, 745 [prototype]). *Crude, very fine with spade scuff on reverse, unpublished and of the highest rarity.* £12,000-15,000

The I on steps reverse is invariably found on the early Islamic coinage of North Africa in both gold and copper. The cataloguer suggests that this variety of early Arab solidus may have been the first type of non-Byzantine coinage struck in North Africa.

## UMAYYAD

- 14 **Æ Token**, issued by al-Hajjaj b. Yusuf to the value of six mithqals, *obv*: *bism Allah a / mīr al-amīr al-hajja / j bin yusuf / bi'l-wafa hadha / mizan sitta*, *rev* two rows of three dots, *waf* across centre, 2.38g (unrecorded but see Walker NC 1935 pp246-248 for a coin weight in the British Museum with similar obverse legends but reverse *bism Allah / 'adl* between the two lines of three dots, weight 25.14g). *Virtually extremely fine and of the highest rarity.* £6,000-8,000

This remarkable piece forms part of the currency reform introduced by 'Abd al-Malik b. Marwan and al-Hajjaj b. Yusuf in the middle of the 70's. The British Museum specimen appears to be an actual coin weight for six mithqals, the six dots on the reverse being placed there for the benefit of the illiterate. This piece, however, is a token to be exchanged for a measure of six, whether of mithqals or dirhams is unclear, but certainly well known to the original holders. It appears likely that these pieces were used in conjunction with one another, the British Museum weight to receive metal from the public and the token to be given to a recipient to redeem for coin at an issuing office. The inscriptions bear this out. On the obverse both read, "In the name of God, the Amir al-Hajjaj bin Yusuf ordered honesty this is the measure of six". The reverse of the weight reads, "in the name of God, just (weight) and the reverse of the token, "redemption' or "payment in full." The token was engraved by hand, as only a small number would have been needed to facilitate the transactions of the mint in receiving old and issuing new coin to the public.

Wilski failed to trace any examples of these countermarks on imitative coins; this is hardly surprising, as the purpose of the countermarking was to validate genuine coins. The fact that this particular host coin is of such crude style (and therefore probably not of European origin) makes it all the more surprising that it should have been countermarked.

There are two possible explanations for the disparity between the date and the caliph's name: either the die engraver omitted the final unit of the date, or the coin was struck after 322h with an old obverse die.

## 'ALID OF TABARISTAN

- 232 **Anonymous**, *temp* al-Hasan b. al-Qasim, 2<sup>nd</sup> reign (314-316h), Dinar, al-Muhammadiya 316h, *obv* centre: *al-muwaffaq / ash-hadu an la ilah lilla / allah wahdahu / la sharik lahu / li-ta'at allah*, Qur'an XXII:39 in outer margin, *rev* centre: *lillah / muhammad / rasul allah / al-rida min al-muhammad*, Qur'an XXXIII:33 (part) in margin, 3.86g (Miles *Rayy* 160C var). *Slightly creased, about very fine and very rare.* £700-900

The last line of the reverse legend on this coin has in the past been read as *abu tahir bin muhammad* and the coin consequently attributed to a previously unknown son of the Su'lukid ruler Muhammad b. 'Ali. However, the reading *al-rida min al-muhammad* ('al-Rida of the family of Muhammad') is more plausible; the reference to al-Rida, together with the fact that the coin cites neither the Abbasid caliph nor the Samanid ruler, suggests that this coin is in fact an issue of the 'Alids, presumably from the reign of al-Hasan b. al-Qasim.

- 239 'Adud al-dawla Abu Shuja', Dirham, Arrajan 348h, citing Rukn al-dawla as overlord, *abu shuja'* below *obv* legend, 5.77g (Treadwell - [see Ar340b for type]). *Minor edge splits, reverse slightly double-struck, otherwise about very fine, very rare.* £100-120

## Information for New Bidders

Admission to the auction and participation is free once you have a copy of this catalogue.

You are encouraged to view the lots before the sale and attend the auction in person. Viewing of the lots may be done at your leisure, by appointment, in the week prior to the auction.

The catalogue is printed with estimates alongside each lot. This is intended as a price guide for interested bidders. Although it is our opinion of the value of the lot, bidders should be clear in their own minds what each lot is worth and should be prepared for prices to rise if there is competition for the lot. All lots can realise hammer prices both above and below the printed pre-sale estimate. In normal circumstances, each lot is reserved at 80% of the lower estimate and bids below this are very unlikely to be accepted.

Bidding may be carried out by you in person or by a representative of your choice (please ask a member of Baldwin's staff for more information on this). To collect your bidding number visit the registration table outside the auction room. Please ensure that you arrive in plenty of time for the lots you are interested in. A time guide is printed at the front of this catalogue and approximately 200 lots are sold per hour. However, bidders are reminded that this is a *guide only* and Baldwin's cannot be held responsible if you miss your lot.

Alternatively, bids may be submitted by filling out the bidsheet found in this catalogue. They must be submitted *in writing* either by post, email or fax to the Baldwin offices to arrive not later than 24 hours prior to the sale. Please include a street address in your email. Bids left by telephone are at the bidder's risk. Baldwin's will accept no responsibility for errors in the execution of bids submitted to a member of staff by telephone. It is recommended that such bids are confirmed in writing immediately.

Baldwin's regret that they are unable to confirm receipt of faxed or emailed bids sent up to 3 days prior to the date of the auction.

## Information for Potential Sellers

We produce quality catalogues which are an expertly researched selling tool for your collection. These can be personalised to create a lasting record.

Our catalogues reach a vast international clientèle which is constantly augmented by our presence at international coin shows including London, New York, Munich, Singapore and Hong Kong. This promises favourable results when we auction your coins.

Our seller commission begins at 15% (+VAT) but may be reduced for items of high value or whole collections. Please ask a member of staff for more details. This is the only charge that applies. We make no charge for photography, storage or insurance and there is no fee for lots that do not sell.

Absentee bids left with Baldwin's Auctions are executed by the auctioneer against all other bidders. Participants should supply their highest bid for each lot. Lots will be purchased as cheaply as possible against all competition. Absentee bidders will not be contacted prior to the auction if their top bid has been exceeded. Bidding begins below the low estimate and if yours is the only bid you will win the lot for the opening price no matter what your top bid may be. In the event of identical absentee bids, the earliest received will take priority.

If you are bidding in our auction for the first time, please give us the name of another dealer or auction house that knows you well as a reference. If you are unable to do this, we can only send you your lots after your invoice has been paid in full.

Invoices will be prepared on request during and after the auction. These will indicate the total due to A H Baldwin & Sons Ltd (including postage and insurance costs). Invoices will be sent *by Royal Mail* to bidders approximately two days after the auction has ended. Baldwin's regret that invoices cannot be sent by email. Full prices realised will be included with each invoice posted and are available on request shortly after the auction.

The price paid by the bidder is the hammer price plus 17.625% buyer's premium (including VAT). Book lots are not subject to VAT. Lots exported outside of the European Union may not be subject to VAT where A H Baldwin & Sons Ltd hold proof of export. Ask Baldwin's for more details where this may apply to you.

For lots sent by post a standard minimum charge of £4.11 will be applicable for UK customers. Postage and insurance will be charged at cost for larger shipments and those outside the UK (minimum £7.11). Lots will be sent by Royal Mail, recorded and insured delivery. Bidders are encouraged to arrange their own collection/shipment wherever possible.

Baldwin's are pleased to offer free verbal valuations of your coins, medals and banknotes and also clear independent guidance for their sale by auction or direct purchase.

At the point of consignment you will receive a signed receipt which details our conditions of sale. You will receive a full listing of your items in the sale and a free copy of the printed catalogue at least three weeks before the sale date.

Payment to sellers takes place between 30 and 45 days after the date of the sale. Consignors are not required to pay any money before the auction as all charges are deducted from the final settlement.

# CONDITIONS OF SALE

1. The highest bidder for each lot shall be the buyer thereof. In the event of any dispute the auctioneer shall have absolute discretion to determine the dispute and the disputed lot may well be re-offered for sale.
2. The auctioneer will have absolute discretion to divide any lot, to combine any two or more lots, or to withdraw any lots from the sale without giving any reason. The bidding shall be regulated at the absolute discretion of the auctioneer. The auctioneer has the right to refuse any bid or bids.
3. All lots are offered for sale subject to any reserve price that may be imposed by the seller.
4. All lots are subject to a "BUYER'S PREMIUM" of 17.625% inclusive of V.A.T., payable by all buyers.
5. Bidding commissions for anyone unable to attend the auction in person will be carried out by A H Baldwin & Sons Ltd without any additional charge. Bids must be in writing and be received at least 24 hours before the sale. "Buy" commissions will not be accepted. A H Baldwin & Sons Ltd shall not be liable for errors or omissions in executing any bidding commissions. We cannot guarantee to execute written bids received less than 24 hours before the commencement of the sale. If two absentee bidders bid identical sums for the same lot, the first bid received shall take precedence.
6. The buyer of any lot shall, if requested, immediately notify his name and address to the auctioneer and if required,
  - (a) provide bank/or other credit references;
  - (b) pay the full purchase price, or a fractional deposit as may be determined at the discretion of the auctioneer.
7.
  - (a) Lots are sold as shown with all faults, imperfections and errors of description and lack of authenticity. Neither A H Baldwin & Sons Ltd nor the vendor shall give any warranty to any buyer in respect of any lot or be liable for any fault or error of description or lack of genuineness or authenticity of any lot. All statements as to items sold, whether made in catalogues, during the course of the auction or otherwise, are statements of opinion only and are not and shall not be taken to be statements or representations of fact. A H Baldwin & Sons Ltd reserve the right in forming their opinion to consult and rely upon any expert or authority considered by them to be reliable.
  - (b) Notwithstanding the foregoing, if any lot, other than a miscellaneous item not individually described in the catalogue, should be proved by the buyer to be not genuine or authentic, or to have been wrongly described in any material respect, the buyer may reject the same provided that he shall have given notice of his intention so to do and shall have returned the same to A H Baldwin & Sons Ltd within seven days from, and in the same condition as at, the date of sale. The onus of proving a lot to be not genuine or authentic or to have been so wrongly described shall lie with the buyer. Proof of the inability of any recognised expert or authority to express a definite opinion shall not discharge such onus. If the buyer shall discharge such onus, the auctioneers shall rescind the sale and repay to the buyer the price paid by him. Save as provided herein, A H Baldwin & Sons Ltd shall not under any circumstances whatsoever be liable for any costs, expenses or damages (whether direct, indirect, special or consequential) incurred by the buyer in respect of any lot, whether or not as a result of any fault, imperfection, error or description or lack of genuineness or authenticity, including but not limited to loss of any kind of profit whatsoever.
8. All lots are reserved at 80% of the lower estimate, with auctioneer's discretion.
9. Save as provided in the preceding paragraph of these conditions buyers must satisfy themselves as to the accuracy of their purchases at the time of delivery. A H Baldwin & Sons Ltd cannot be held responsible for any discrepancy which might be discovered after the lots have been removed from either the auction room or the auctioneers' premises.
10. A H Baldwin & Sons Ltd act solely as agents and shall not be responsible for any default by either the buyer or seller or for any action or claim which may arise in respect of any lot.
11. Each lot shall be held at the buyer's risk from the fall of the hammer. The lot or lots shall be removed by the buyer within seven working days after the date of the sale. A H Baldwin & Sons Ltd reserve the right to charge storage and to resell by auction or privately, without notice to the buyer, any lots not so removed.
12. Any part of the purchase price left outstanding after the auction pursuant to Condition 5 shall be paid in full within thirty days of the date of the auction. Without prejudice to any other rights, A H Baldwin & Sons Ltd reserve the right to charge interest on any overdue payment at the rate of three per cent per month. Seven working days' notice must be allowed for clearance of personal cheques before delivery can be made unless prior arrangements have been made with A H Baldwin & Sons Ltd. A 3% surcharge will be applied to credit card payments.
13. Buyers accepting commissions from third parties do so at their own risk and will remain responsible to A H Baldwin & Sons Ltd for full settlement according to these conditions.
14. Baldwin's are not responsible for any inaccuracies in information and results given verbally during or after the auction nor any errors in reports subsequently produced.
15. By making a bid the buyer acknowledges his acceptance of these Conditions and shall be bound by them.
16. If any buyer fails to comply with any of these Conditions, the lot or lots in respect of which the failure is made may at the discretion of A H Baldwin & Sons Ltd be put up again and resold. The damages recoverable from the defaulting buyer shall include, but not be limited to, the auctioneers' expenses and commission in respect of the resale and the amount (if any) by which the price obtained on the resale is exceeded by that obtained on the first sale.
17. A variation of these Conditions shall only be binding on A H Baldwin & Sons Ltd and the vendor if it is made in writing and signed by a duly authorised representative of A H Baldwin & Sons Ltd.
18. These Conditions shall take effect and be construed in accordance with the provisions of English law.
